#### SEMINARS

Please pick four (4) each of your 1st, 2nd, and 3rd choices for the seminars listed below. There are four concurrent seminar sessions, plus a concurrent "master class" session. We will schedule the seminars based upon your input.

##### Example

- 1 The Big Picture: identifying and characterizing natural resources for protection through regional planning
- 2 Liquid Assets: water resource protection
- 3 Feathering the Nest: protecting biodiversity and rare species habitats

- Adirondack Park
- Cape Cod
- Chesapeake Bay Region
- Lancaster County, Pennsylvania
- Long Island Pine Barrens
- New Jersey Meadowlands
- Natural Heritage Areas: Schuylkill River and Blackstone River Valley
- New Jersey Highlands
- Pinelands National Reserve
- The Big Picture: identifying and characterizing natural resources for protection through regional planning
- Liquid Assets: water resource protection
- Feathering the Nest: protecting biodiversity and rare species habitats
- Every Landscape Tells a Story: cultural and scenic resource protection
- Tis Better to Send and Receive: transfer of development rights
- It's the Law: regional zoning and land use regulation
- The Toolbox: growth management tools (such as tax sharing, capital investment, timed growth, urban growth boundaries, etc.)
- Build It Well and They Will Come: community design and redevelopment
- You Can Get There From Here: regional infrastructure planning as a catalyst for regional land use planning
- To Preserve and Protect: land acquisition as a regional planning tool
- Welcoming the New Neighbors: planning for growth
- All Politics is Regional: approaches to the government structure for regional planning
- Planting the Seed: setting the stage for a regional plan process
- Envisioning the Region: creating a regional vision for regional planning
- Watchdogs: the NGO's role in regional planning
- Finding Common Ground: builders' perspectives on regional land use planning
- Raising the Bar: creating benchmarks and measuring success
- Dollars and Common Sense: the economic benefits of regional planning
- People and the Plan: social equity in regional planning

**Regional Planning Master Classes**

Please help us set the agenda. Tell us your ideas for a "master class" in which an expert panel will address a challenge, a problem, or a situation that needs a regional vision and a regional solution. \_\_\_\_\_

\_\_\_\_\_

**ACCOMMODATIONS**

The Hyatt Regency is the conference hotel. Discounted room rates are \$150 per night. Please contact the Hyatt at (800) 233-1234 and reference "Regional Planning Comes of Age" to receive this rate. The discounted rate is not available online.

- Please enter the number of nights you plan to stay at the Hyatt
